Autumn 2021

Dear Friends,

During the past year, something remarkable happened at the library. In the face of the pandemic, we at the Friends of the Scituate Town Library kept our promise to you, our community, and found ways to adapt and thrive and support the mission of the Scituate Town Library. With the help and encouragement of Library Director Jessi Finnie, the Friends offered a free library during closure and, later, an honor-system bookstore in the foyer. Facing unprecedented conditions, the Friends kept going and stayed inspired.

Now we celebrate the dual milestones of the full reopening of the Scituate Town Library and the reopening of the Friends-run bookstore, newly named 2nd Chapter Bookstore! We made it, and we want to celebrate with you. *Will you join us?* We welcome you to consider donating and volunteering. Your money will help to make programs happen (see the list below) and museum passes available. Our annual donor drive is our major source of funding and provides benefits for all of us. To donate, please fill out the enclosed form; go to our website, www.friendsofthescituate-townlibrary.org; or use the QR code provided.

Interested in joining our happy team of volunteers? You can enter your contact information on our website or check the box on the reply form, and we'll be in touch with you. We can use all sorts of folks with various talents and ideas.

As the calendar rolls forward to 2022, we'll be embarking on our 50th year as a group supporting the work of the town library. Let's make this year the best one ever as we leave the difficult times behind.

With much appreciation,

MaryLou Butler

President, Friends of the Scituate Town Library
